

## School Direct 2019/20

Dear Parent/Carer,

### We have vacancies from September 2019 for school based teacher training

Our school is part of a teaching school alliance that is leading the way in school-led teacher training. This is really important to us because it means we can choose the very best talent to develop into teachers, helping us in delivering the best outcomes for the children in our schools.

### Teacher Training with a difference

The Transform School Direct Initial Teacher Training programme offers exceptional opportunities to train to teach in a classroom setting. Working in partnership with the University of Derby it is a programme that will kick-start your teaching career from day one of your training.

The Transform School Direct programme has trained over 120 teachers since its launch in 2013 and over 90% of our graduates end up working in one of our schools. Transform is a teaching school alliance with 50 member schools with an excellent track record of success.

Please see accompanying flyer for detail of our School Direct Event on March 28<sup>th</sup> 2019 at Ravensdale Junior School, Mickleover, Derby. Contact Mary Shishefar, Programme Manager at Transform TSA: [mary.shishefar@transformtrust.co.uk](mailto:mary.shishefar@transformtrust.co.uk) to confirm your attendance.

Kind Regards
