

12th January 2017

Dear Parents,

We have now been made aware that further strike action by UNISON members will be taking place every day next week from 7.00am to 1.00pm. Over recent weeks we have been unable to provide school lunches but appreciate how difficult and inconvenient this can be.

Next week we would like to offer a simple hot meal on each day but need an indication of numbers as food will need to be ordered. The charge for the meals will be the usual £2.10 per day.

We do realise this is short notice but if you would like to book your child a meal please return the slip below on Friday.

Yours sincerely,

Mrs Z Cannon
Headteacher
