Mothers' Day afternoon tea

Dear parents,

Last Monday, Year 4 learnt new culinary skills with the Hilton Hotel and the children are now keen to put these into practice by designing and making cookies as a part of a of their Design and Technology project.

As Mothers' Day is fast approaching, on Sunday 11th March, the children would like to say a thank you, to the women in their lives, for all of the hard work given to support them as they grow up. Therefore, on Thursday 8th March from 3pm, Year 4 will be holding an afternoon tea in hall, where they will be serving their freshly baked cookies alongside a variety of drinks. Please return the slip below to confirm attendance.

Due to the size of the hall and Health and Safety regulations a maximum of **three** adults are permitted for each family. **Please also be aware that we have a no photographing or videoing policy for the safeguarding of all our pupils and this must be strictly adhered to.** We appreciate your support with this.

Yours Sincerely,

Year 4 team

Miss Dunn, Mrs Oscroft, Mrs Hunt and Mrs Crane

Child's name:..... Class:.....

On Thursday 8th March, adults (maximum of three adults) will be attending the Mothers' Day afternoon tea in the hall from 3pm.

Headteacher: Zoe Cannon
