Dear Parents / Carers,

We are planning to take the Year 3 children on a nature walk along the Great Northern Railway Line, off Station Road. The children will walk from school to the path and then back to school via the Silverhill Estate. This walk will be beneficial to the children as it will help them become aware of their local surroundings and deepen their knowledge of nature and wildlife. Whilst on the walk the children will be identifying trees and wildlife as well as making observations about the occurring seasonal changes. The walk will also support further work undertaken in the classroom.

Your child's walk will happen on the following day:

Monday 15th October 2018 (Swifts and half of Kingfishers)

Wednesday 17th October 2018 (Robins and half of Kingfishers)

The children will leave school at approximately 9:15 and will be back in time for lunch. The children will need to wear normal school uniform, sensible footwear and a waterproof coat. **If you would like to come and help on the walk it would be most appreciated - please speak to a member of the Year 3 teaching team.**

As always thank you for your continued support.

Kind regards,

Mr Mosinski

Mr Watts

Mrs Dimmick

Headteacher: Zoe Cannon
