RE: Animal visitors in school

Dear Parents and Guardians,

We are extremely happy to announce we have booked a very exciting visit from some very special animals to help support our Science curriculum. The handlers come to school and give a talk followed by a supervised handling session and the children can enjoy hand feeding animals like a meerkat, an armadillo and skunk as well as meeting a wide range of others. This company have previously joined us at the school and the children have very much enjoyed the session.

I am sure you are all aware that school budgets are very tight and that it is necessary to ask for funding for extra-curricular visits. We do try to keep costs to a minimum and aim to provide real value for money. If insufficient contributions are received, the visit may have to be cancelled.

On this occasion we would ask for a contribution of £6.60 per child. If there are any queries or difficulties with payment, please speak to the school office. Please pay online using school money. If this is not possible, please send all money into school in a named envelope. **Please ensure all payments are made Monday 14<sup>th</sup> March 2022.**

A reduced payment (50%) of £3.30 is applicable for pupils who are eligible for pupil premium funding.

Yours Sincerely

Mrs Wyke, Mr Arthur, Miss Hussain and Miss Florey

### Key Information:

Date of visit: Thursday 24<sup>th</sup> March 2022

Timings: Normal day as we will be staying in school.

Cost: £6.60

Lunch: Normal lunch in school

Headteacher: Zoe Cannon
