Re: Outdoor Activity Day

Dear Parents and Guardians,

The Year 4 team are pleased to inform you that the previously booked Year 3 Outdoor Activity Day has been rearranged for **Wednesday 21st September**. This is an enrichment day of physical activity on the school field for the children, which has been funded through our sport premium grant. The children will experience three different activities:

- a climbing wall (harnesses and helmets are used)
- Spider Mountain-where the children will be climbing through inflatable tunnels and also have access to a giant slide
- Archery lesson

There are fully trained staff who will be organising equipment and running the activities with the support of school staff.

We are asking that children should be dressed in their usual PE kit with the addition of a long-sleeved T-shirt and leggings or jogging bottoms to avoid any skin contact on some of the activities. All children should wear suitable trainers, bring a water bottle and apply sun cream before coming to school, if necessary. Lunchtime provision will be the same as usual.

We are certain it will be a fun day for the children and allow them to participate in different activities, learning new skills in the process.

Yours sincerely,

The Year 4 Team- Miss Florey,
Mr Arthur and Mrs Wyke

Key Information:

PE kit (with long-sleeved top and jogging bottoms) and trainers required

Date of event: Wednesday 21st
September

Timings: School day

Headteacher: Zoe Cannon
