I am sure you are all aware that school budgets are very tight and that it is necessary to ask for funding for extra-curricular visits. We do try to keep costs to a minimum and aim to provide real value for money. If insufficient contributions are received, the visit may have to be cancelled.

On this occasion we would ask for a contribution of **£22.00** per child to be given in by **Friday 14<sup>th</sup> October**. Please speak to your child's class teacher as soon as possible if you have any difficulty with payment. Please pay online using school money, if there are any queries please contact the school office. If this is not possible, please send all money into school in a named envelope, clearly marked with the trip details.

A reduced payment (50%) of **£11.00** is applicable for pupils who are currently eligible for Pupil Premium Funding.

Yours sincerely,

P Watts
